PRE-BID QUERY RESPONSE

Sl. No	Tender Clause Reference	Document Text / Description	Bidder's Query / Suggestion	IREL (India) Limited Official Reply
1.	Clause 5.0 – Pillar 4.1 (Page 14)	Local Setup: Active office inside Odisha scores 10 Points; office outside Odisha scores 5 Points .	Kindly remove/reduce local office weightage, or allow the successful bidder to establish a project office <i>after</i> empanelment.	Query Rejected / Original Clause Stands: Given the operational profile of aging structures (~40 years old) within a highly corrosive coastal plant zone, rapid mobilization for emergency structural health monitoring and NDT audits is paramount. Point's allocation for a localized setup inside Odisha remains unchanged to guarantee real-time site support. Out-of-state bidders are encouraged to submit lease agreements or utility bills if they possess an operational branch in Odisha.
