5. Bid evaluation process:

- a) All bids shall be evaluated based on offer documents submitted against the Pre-Qualification (PQ) criteria and RFP. Price bids/Offer of only those bidders who meet the PQ requirements and furnished requisite EMD will be considered. Bidders are requested to submit bids for their required quantities, subject to a minimum quantity of 500 MT. In case multiple bids and the aggregate demand is more than the offered quantity the maximum quantity to be offered to each party is 3,000 MT subject to other terms and conditions detailed below.
- b) Based on the quotes received for the dispatch quantity, IREL will prepare the list in the descending order. The quantity will be distributed according to the list.
- c) Further to above, in case the total demand is less than 8,000MT by all the bidders, bidders requesting for more than 3,000MT, will also be considered.

If the total demand quantity is more than the supply quantity, then the distribution will be done as under: -

- i. If only one eligible bidder is existing then the entire quantity of 8,000 MT or the quantity quoted by the bidder, whichever is less, may be offered at sole discretion of IREL irrespective of 3000 MT ceiling.
- ii. If two or more eligible bidder exist and their total quantity is less than $\leq$ 8,000 MT, quantity shall be offered as per their quoted quantity subject to maximum 3,000 MT per bidder. In case of any leftover balance quantity, the same quantity shall be asked to the bidder who quoted the highest quantity, at IREL's discretion.
- iii. If total quantity exceeds 8,000 MT, bidder arrange based on descending order quantity. Higher quantity shall be given preference. If two bidders quoted same quantity, then earlier lifting bidder shall be given preference. If quantity and dispatch date are same in that case the quantity shall be

distributed proportionately subject to quoted quantities and over all ceiling of 8,000 MT.

- a. Bidders quoting higher quantity will have preference over the lower quantity quoted bidder.
- b. If two bidders are quoting same quantity, then preference will be given to bidder who will lift the material earlier.
- c. In case of multiple bidders with same quantity and lifting date, then they will be offered proportionately.
- d. The distribution of quantity and offered quantity to the eligible bidder are at sole discretion of IREL.
- e. In case there is left over quantity is there after distributions, IREL may offer the same to any eligible bidders at the band price as mentioned below:

Quantity offtake (MT)	Applicable base price (Rs/MT)
500-1000	Rs 32,100/-
>1000 to <=3000	Rs 31,100/-

- f. Typical example for the discount is as under:

Name of the Bidder	Qty offered for offtake (MT)	Time frame for offtake	Applicable price (Rs/MT)
A	400	2months	Bid rejected
B	1100	2 months	31100
C	600	1 month	32100
D	3100	1 month	31100 (Quantity eligible for supply 3,000MT if total aggregate quantity is more than 8,000MT)

6. Terms and condition

- i. The evaluation of bids those meeting the PQ criteria and submitted EMD will only be carried for further consideration.
- ii. The rate will be ex-Works basis and applicable taxes are extra. Bidder must off take the material within stipulated period as mentioned in commercial offer or as agreed by IREL.
- iii. Based on the quantity quoted and the time of lifting by the qualified bidders, the selling price will be as per list price and applicable discount as mentioned clause no 5.
- iv. The EMD submitted by unsuccessful bidders will be returned within 30 days of finalisation of final offtake contracts. In case of successful bidders EMD amount will be adjusted against the quantity till completion of the total allotted quantity.
- v. IREL shall have the exclusive right to finalize/alter the quantity to be supplied to the qualified bidders based on availability.
- vi. Subsequent to issuance of offer for sale letter to eligible bidders, bidder has to remit the sales proceed within 30 days of its issuance or lifting of the material whichever is earlier. In case of order for more than 500T, bidder can remit the amount in 2 tranches prior to lifting of the material.
- vii. Loading, handling and transportation of material is under the scope of bidder.
- viii. The tentative analysis of the material/product is attached as Annexure -III "Typical Specification" attached for reference. The successful bidder shall be on following conditions:
 - a) Parties to provide undertaking that neither they nor their associate/subsidiary companies or companies in anyway related to them are having conflict of interest wrt the RFP.
