Possibility for Denial of Cashless

- Admission for investigations/observation/evaluation purpose only.
- Admission beyond a certain no. of days apart from the normal package stay.
- Treatment not matching with disease mentioned on cashless form.
- Any treatment which otherwise could have been taken on OPD basis.
- Hospital not sending proper query reply raised by TPA on time.
- Active line of treatment not mentioned in the cashless form.

Reimbursement Hospitalisation Process

- **Some Important Do's & Don'ts**

Submit the Reimbursement claim documents to Medi Assist TPA within 30 days from date of discharge

For availing cashless always carry photo ID proof along with your medical card of the patient. Photo ID proof can be Pan Card / Aadhar Card / Voters ID.

Planned hospitalization, take approval before 2-3 days before admit in hospital.

Initial deposit at hospitals (if taken) are refunded after settlement.

Original documents are retained for claim but photocopies can be taken if required.

For Reimbursement cases, always collect all originals from Hospital including final bill with break up and payment receipt.

Any issues in cashless approval, please contact the SPOC of MediAssist TPA.

What Happens When Submitted Documents Are Not Complete

When you submit your claim along with all relevant documents as explained above to PHS, the same will be scrutinized by a team of medical and claims and if found in order - PHS will issue a reimbursement completion intimation to insurance company & Payment will be done by Insurer.

- In case of discrepancies or deficiencies in the documents, PHS will issue a letter listing the deficiencies and deficient documents need to be submitted within 15 days.
- If the claim file is complete in all respects PHS will normally settle the claim .
- PHS may settle the claim, deducting the amount pertaining to deficient documents.
- When the deficient documents are submitted, PHS will reopen the file and pay for the same if admissible.
