2019 के IInd अर्ध वार्षिक का मोनिटरिंग रिपोर्ट

Half yearly Monitoring Report for the IInd Half of 2019

Introduction: IREL (India) Limited, a Government of India undertaking under the Department of Atomic Energy has been engaged in the mining and beneficiation of the heavy minerals from the Chavara deposit in Kollam district of Kerala state. IREL has been granted mining lease to collect heavy mineral sand from the area vide G.O (Rt) No. 746/07/ID dated 08/06/07 by the Government of Kerala and before commencing the mining operations IREL obtained Environmental and CRZ clearance vide EC No 11-36/2008-IA,III dt 01.03.2011, from MoEF, New Delhi for beach sand mining in 180 Ha area in the villages of Alappad, Panmana and Ayanivelikulangara. The Environmental Management Cell was reconstituted under the chairmanship of Shri S.Surya Kumar, Chief General Manager & Unit Head for monitoring the environmental activities of the project.

Environmental Policy of IREL: IREL is an ISO company following integrated ISO systems on Quality, Environment, Occupational Health & Safety. Our policy as follows:

"We, at IREL, Chavara are committed to sustain our growth in the supply of beach sand minerals & mineral products through:

- ❖ Product Quality
- ❖ Customer satisfaction
- ❖ Prevention of pollution
- ❖ Conservation of natural resources
- ❖ Compliance with legal requirements
- ❖ Prevention of incidents & ill health
- ❖ Safe working Environment & Continual improvement"

Location: The project area lies between Latitude 09⁰⁰' 55.97" N & Longitude 76³¹' 17.19" E and Latitude 09⁰²' 03.80" N & Longitude 76³⁰' 29.90" (Toposheet No 58 C/8). A village road passes through the plot. This road connects the plot to NH 47 at Karunagapally at a distance of about 6 km, through Panikkarkadavu bridge, on the north. The broad gauge railway line is about 1 km to the east of NH 47. The nearest railway station is Karunagapally at a distance of about 8 km. M/s Kerala Minerals and Metals Ltd (KMML), a state government undertaking engaged in beach sand mining, beneficiation and pigment production & IREL are the only two major industries in this area.

STATUS OF COMPLAINE OF EC CONDITIONS

Clause	EC conditions	Compliances
6 (i)	Consent order shall be obtained from state pollution control Board under air and water act and a copy shall be submitted to the Ministry before start of any work at the site.	Consent obtained from Kerala State Pollution Control Board and is valid till 31.10.2022
6 (ii)	No construction work shall be carried out in Coastal Regulation Zone area	No construction work is carried out in Coastal Regulation Zone
6 (iii)	50 mts all along the canal shall be maintained as buffer and shall not disturb at all	Noted.
6 (iv)	No religious places shall be disturbed without the consent of the locals	Noted
6 (v)	TCLP analysis of both mined and tail material can be done to check the presence of Hazardous materials and report shall be submitted along with the six monthly monitoring report.	TCLP analysis carried out .No hazardous material used or produced by our mining operations.
6 (vi)	A greenbelt shall be developed after mining and refilling block by block. Mangroves as recommended shall be developed in the area contiguous to Vattakayal.	Will be done after the completion of mining
6 (vii)	Project proponent shall ensure that no disturbances is caused to the mangroves	Noted
6 (viii)	All the commitments made during the public hearing including the budget for corporate social responsibility shall be earmarked for carrying out the activities.	Noted
6 (ix)	There shall be no waste disposal in the coastal area	Noted
6 (x)	The project proponent shall set up separate environment management cell for effective implementation of the environmental safeguards under the supervision of a Senior executive.	EMC under the Chairmanship of the Unit Head is constituted
6 (xi)	The project proponent shall take up mangrove plantation / green belt in the project area, wherever possible . Adequate budget shall be provided in the Environmental Management plan for such mangrove development	Noted
6 (xii)	The funds earmarked for the Environmental Management plan shall be included in the budget and shall not be diverted for any other purposes.	Noted

General Conditions

Clause	Conditions	
(i)	Full support shall be extended to the officers of this Ministry / Regional Office at Bangalore by the project proponent during inspection of the project for monitoring purposes by furnishing full details and action plan including action taken reports in respect of mitigation measures and other environmental protection activities,.	IREL , Chavara will extend full support to the officers of this Ministry / Regional Office at Bangalore.
(ii)	A six-Monthly monitoring report shall need to be submitted by the project proponents to the Regional Office of this Ministry at Bengaluru regarding the implementation of the stipulated conditions.	Complied
(iii)	Ministry of Environment, Forest and Climate Change or any other competent authority may stipulate any additional conditions or modify the existing ones, if necessary in the interest of environment and the same shall be complied with.	Noted
(iv)	The Ministry reserves the right to revoke this clearance if any of the conditions stipulated are not complied with the satisfaction of the Ministry	Noted
(v)	In the event of a change in project profile or change in the implementation agency, a fresh reference shall be made to the Ministry of Environment, Forest and Climate Change	Noted
(vi)	The project proponents shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities and the date of start of land development work.	Obtaining surface rights for carrying out mining operations is in progress
(vii)	A copy of the clearance letter shall be marked to concerned Panchayat / local/ NGO, if any, from whom any suggestion / representation has been made received while processing the proposal	Complied
(viii)	State Pollution control Board shall display the clearance letter at the Regional Office, District Industriescentre and Collector's Office/Tehsildar's office for 30 days	Complied

Other conditions

Clause	Conditions	Compliance status
8	These stipulations would be enforced among others under the provision of Water (Prevention and Control of Pollution) Act , 1974 , Air (Prevention and Control of Pollution) Act , 1981, Environmental (protection) act, 1986, the Public liability (insurance) act , 1991 and EIA Notification 1991, including the amendment and rules made thereafter	Noted
9	All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Civil Aviation Department, Forest Conservation Act, 1980 and Wildlife (Protection) Act, 1972 etc, shall be obtained, as applicable by project proponents from the respective competent authorities.	Noted
10	The project proponent shall advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded Environmental and CRZ Clearance and copies of clearance letters are available with the State Pollution Control Board and may also be seen on the website of the Ministry of Environment, Forest and Climate Change at http://www.envfor.nic.in . The advertisement should be made within seven days from the date of receipt of the Clearance letter and a copy of the same should be forwarded to the Regional office of this Ministry at Bangalore.	Complied
11	Environmental clearance is subject to final order of the Hon'ble Supreme Court of India in the matter of Goa Foundation Vs. Union of India in Writ Petition (Civil) No 460 of 2004 as may be applicable to this project	Noted
12	A copy of the clearance letter shall be sent by the proponent to concerned Panchayat, ZillaParisad/Municipal Corporation, Urban Local Body and the Local NGO, if any, from whom	Complied

	suggestions/representations, if any, were received while processing the proposal. The clearance letter shall also be put on the website of the company by the proponent.	
13	The proponent shall upload the status of compliance of the stipulated clearance conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of MoEF&CC, the respective Zonal Office of CPCB and the SPCB	Uploading in website complied with. Results of monitoring datas are complied with and sent to RO of MoEF&CC , Bangalore periodically.
14	The project proponent shall also submit six monthly reports on the status of compliance of the stipulated clearance conditions including results of monitored data (both in had copies as well as by e-mail) to the respective Regional Office of MoEF&CC, the respective Zonal Office of CPCB and the SPCB.	complied
15	The environmental statement for each financial year ending 31 st March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of clearance conditions and shall also be sent to the respective Regional Office of MoEF&CC by e-mail.	complied

Current Status of the Project: As per the Mining Plan the production capacity is 7,50,000 t per year. Surface mining is going on with a daily production of around 900 t of raw sand. During the period from April 2019 to September 2019, we have produced 1,36,334 t of raw sand

Green Belt: Green belt will be created with suitable plantations once the mining activities are completed.

Solid Waste Management: No solid waste is generated in the area. The mined out raw sand is concentrated using spiral plant and the tails generated will be used for refilling the excavated area.

Study on Ground Water & Ambient Air Monitoring : We have conducted Ambient air monitoring and ground water analysis of the samples from the open wells in the mining area and nearby areas during the period from April 2019 to September 2019. The analysis of the samples were done through M/s Standard^s Environmental & Analytical Laboratories, Udyogamandal, Ernakulam, an NABL accredited laboratory. The results are consolidated below:

Ambient Air Monitoring:

Parameters	KSPCB Limit	Near mining office at Vellanathuruthu	East of Panickar Kadavu bridge
Suspended particulate Matter (ug/m ³)	200	87.8	38.3
Respirable particulate Matter (ug/m ³)	100	48.3	25.1
Sulphur Dioxide (ug/m ³)	80.0	3.93	<2.0
Nitrogen Dioxide (ug/m ³)	80.0	6.27	<2.0
Carbon Monoxide (ug/m ³)	4.0	1.90	<1.15

Ground water Analysis:

Parameters	Location			
	Acceptable limit	Open well near PHC, Vellanathuruth	Dredge Pond at Vellanathuruth	office tap (Mining site)
Colour (Hazen)	5.00	1.00	1.00	1.00
Odour	Un objectionable	Un objectionable	Un objectionable	Un objectionable
Turbidity (NTU)	1.0	0.10	0.80	0.70
pH	6.5 – 8.5	6.94	6.93	6.83
Total Dissolved Solids (mg/L)	500 (max)	85.0	383	138
Total Hardness (as CaCO ₃) (mg/L)	200 (max)	56.0	166	76.0
Calcium (as Ca) (mg/L)	75.0 (max)	11.2	41.7	19.2
Magnesium (as Mg) (mg/L)	30.0 (max)	6.80	15.1	6.80
Chloride (as Cl) (mg/L)	250 (max)	8.93	110	44.7
Iron (as Fe) (mg/L)	1.00 (max)	0.14	0.38	0.31
Total Coli form Bacteria (MPN/100ml)	Absent/100 ml	Absent/100 ml	Absent/100 ml	Absent/100 ml
